

WE'RE CHANGING OUR NAME!

If you recall, Bill Green advised you of his goal to retire on April 30, 2010. He was able to accomplish that goal and is busy sleeping late and planning his travel schedule. Our decision to join United Capital ("UC") was based in part on that goal. We needed an organization that would provide the kind of service, support, and investment advice that our clients deserve and expect.

Green/White Advisors was formed in 1986 and from our many financial planning classes taught at Houston Community College, Wharton Jr College and University of Houston, became well known in the Houston area. We made the change to UC in early 2009 and have progressed to our second year.

It's now time to move on to the next phase of our growth strategy and take advantage of the name recognition United Capital has achieved as a national wealth counseling firm. Going forward, you will notice the name change on our letterhead, business cards, emails, and in local media sources.

We are proud of our heritage. Green/White Advisors will always be our history. United Capital will be our future.

As always, we appreciate your trust and confidence throughout our history and as we move toward the future. You, of course, made it all possible, and we look forward to our years ahead.
