Dear United Capital of San Francisco,

CONGRATULATIONS!

It is our distinctive honor to congratulate your practice for their achievement and inclusion in the NABCAP Premier Advisors list in the March 4th issue of The San Francisco Business Times.

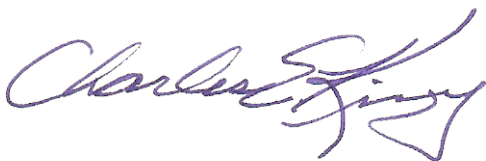

NABCAP is privileged to recognize an elite group of advisory practices in the Bay Area. Your practice has been reviewed versus a long list of your peers from all industry channels and firms. Our process evaluated each practice based on a proprietary system and objectively verified the information submitted through our multi-level verification process.

As a NACAP Premier Advisor, your practice is a member of an exclusive group who represents the best in quality Wealth Management.

NABCAP is the first non-profit 501(c)(3) organization to create a discerning process to help identify the top quality advisory practices in order to better serve the investing community.

Thank you for your participation and helping NABCAP add transparency to the financial services industry. We wish you the best and prosperity in 2011.

Best regards,
